

BROUGHAM PARISH COUNCIL

DRAFT ONLY

10.4 Planning Application 16/1102, Center Parcs proposed development (received after the issuing of the Agenda): It was noted that the pack of papers was incomplete and that Councillors were not in a position to make any informed response until they had received all the papers and subsequently had made a site visit. This will require an extension to the deadline for comments. The Clerk would write to EDC accordingly.

11. Highways & Footpaths:

11.1 The Clerk had sent the agreed comments to Kier about roadworks on A66.

11.2 The Clerk had replied to the Lowther land footpath rights of way notification to ask that there should be no closure or diversion of paths.

11.3 Progress and plans for repairs to Brougham lanes and Brougham Bridge, which had last been raised with the Highways department in October 2016, would be taken up again by Mrs Harden.

12. Correspondence:

12.1 The Clerk had sent a response to BT to report that, in the light of the fact that the payphone had not been used for a year, Councillors had no comment to make about its closure.

13. District Councillor Sawrey-Cookson reported on current issues of relevance to the Parish: the availability of new money for road repairs; the progress of the Local Plan; the setting up of the "Heart of Cumbria" company by EDC.

14. Date of Next Meeting;

The next meeting will be held on **Monday April 10th 2017**, at 6 Brougham Hall Gardens starting at 7.30 pm.
